

# The philosophy of invincibility of legendary Bruce Lee: theory and practice

What do we truly know about his path of spiritual self-improvement? Which ones of his secrets could be taken up and put to use and which ones could not? Since the answers to these questions are the most powerful weapon on the way towards your own mastery. That is, of course, if you could make these advantages serve your own ends. The section devoted to secrets of Bruce Lee mastership, will tell about his crush in ancient esoteric practices. He had rather large personal library which consisted not only of books about martial arts but also works on philosophy, occultism and meditation. Bruce Lee was on the hunt for a way to access internal animal force, thus entering new mastership level. And he found it...
