

Michelangelo Tangelo - A Bully No More

Michelangelo Tangelo A Bully No More is the third book in the Michelangelo Tangelo series. This story takes place in the ancient fantasy land of Fruitasia. In this story, Penelope Pear overcomes her struggle to combat peer pressure to bully another fruit being (Alice Apple), but not until she first participates in bullying Alice. After bullying Alice, she has an encounter with the Great Gardener who makes her aware that her actions were wrong and that her friends who have influenced her to bully Alice Apple are not true friends. As a result, Penelope examines her behavior, makes a courageous decision to become accountable for her actions, and discovers the meaning of true friendship.
