

My Date Comics Collection #1 - #4: Golden Age Romance Humor

My Date Comics ran from July 1947 to January 1948. This was the first in the romance humor genre. Now you can re-live (or, enjoy for the first time) these great adventures from generations past, with UP History and Hobby line of comic reprints.

The comic reprints from UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
