

Return To Pandora: Book 1 in The Pandora Series

A few days before my sixteenth birthday, my mom tells me I'm a princess princess with magical powers and a duty to defend the kingdom of Pandora against the evil queen who killed my father. In fact, she's the reason my mom faked my and her own death. Now that my powers are coming, I don't have a clue how to prepare. Will my magic kill me or my lifelong best friend Zack? Will I be able to master them in time to destroy Christina before she wreaks havoc on Pandora? Everyone expects me to fulfill my destiny, but fighting for people I've never met might not be worth the risk. At least, I have Zack by my side.
