

Gods Will or Mans Will: Understanding Gods Sovereignty (Critical Issues in the Bride)

How do we understand the intersection between mans will and Gods will? Does God cause evil? Does He choose who will be saved, and who will not? In Gods Will or Mans Will: Understanding Gods Sovereignty, this question is explored and answered from a biblical view. The booklets in the Critical Issues in the Bride series address difficult and controversial topics that often arise in the context of the local church. Written with the layperson in mind, they are designed to help local pastors and elders disciple those under their care.
