

The Parents Guide to Youth Soccer

If you have a child or grandchild between the ages of 4 and 16 playing Youth Soccer, you must read this book. It will teach you everything you need to know about the sport of Soccer - in simple and easy to read language with a splash of fun and humor on every page. No other book provides such a comprehensive introduction to Youth Soccer for all adults - even those who may have played or coached the sport themselves. In it you'll learn the history of Soccer in America; coaching objectives and philosophies at every age level; Soccer terminology, game rules and penalties; field layout, positions and lineups; the role of the Coach, Referee and Parent; health, nutrition and safety; Indoor Soccer; tournaments and championships; hints, tricks and the many Secrets of Soccer Success; plus much more. The Parents Guide to Youth Soccer is written exclusively for parents and grandparents who watch Soccer from the sidelines. It's all you need to help you understand the world's most popular sport and to help your young athlete have more fun and success on the Soccer field.
