

What I Must Hide (To Guard and To Guide, Book 1) (Volume 1)

Flying smack into a new existence--literally, sophomore high school student, Mia Frare, finds herself able to alter her body at will to a 3' foot-tall, silver-winged bird. WHAT I MUST HIDE is a two week chronicle of Mias transformation and induction into a secret alliance of divine superheroes. While adapting to her extraordinary gifts, such as amplified hearing, acute eyesight, and what Mia refers to as, freakishly strong feet, she finds herself drawn to three other students in her high school. Possessing unique abilities of their own, Gabe and his two sisters befriend Mia and invite her along their rescue missions. Although Mias growing closeness to Gabe poses difficulties he cant ignore, its evident that the four are meant to join forces in averting tragedy and protecting those unaware of their true identities. www.toguardandtoguide.net *Published in 2012 as Why I Must Lie, ISBN: 978-0-985056902.
