

# The Triune God and the Charismatic Movement: A Critical Appraisal from a Scottish Perspective (Paternoster Theological Monographs)

All emotion and no theology? Or a fundamental challenge to reappraise and realign our Trinitarian theology in the light of Christian experience? This study of Charismatic renewal as it found expression within Scotland at the end of the twentieth century evaluates the use of Patristic, Reformed, and contemporary models of the Trinity in explaining the workings of the Holy Spirit.
