

Life with Mr. Dangerous

Somewhere in the Midwest, Amy Breis is going nowhere. Amy has a job she hates, a creep boyfriend she's just dumped, and a best friend she can't reach on the phone. But at least her (often painfully passive-aggressive) mother bought her a pink unicorn sweatshirt for her birthday. Pink. Unicorn. For her twenty-seventh birthday. Gliding through the daydreams and realities of a young woman searching for definition, *Life with Mr. Dangerous* showcases acclaimed cartoonist Paul Hornschemeier's gift for deadpan humor and dead-on insight with a droll, aftertaste of unlikely but welcome marriage of the bleak and the hopeful.
