

## Boredwoman - ek is hier

Vroue is eienaardige goeters.Ek weet. Want ek is ook n vrou.Ons het gedagtes wat almal nie verstaan nie. Ons mymeringe wil ons deel, en ons einas ook. Ons het nie regtig geheime nie, want ons monde is te groot om dit binne te hou. Die seer is nie einas nie, dis te groot om so maklik af te maak as n wondjie wat met n pleistertjie toegeplak te word. Al wat daarvoor help, is trane, iemand wat verstaan en dan kop oplig en die lewe vierkant in die oog kyk.Boredwoman is stukkies van al hierdie dinge wat n vrou bymekaar hou. Dit is nie vir die uitgesoekte nie, dit is elke vrou se dingetjies. Daar is n oormaat humor, n bietjie minder kwaadgeit, en baie baie tyd vir dink oor die diep vraagstukke, die lag vir jouself en vir die liefdes wat hulleself jou man en kinders noem. Daar is genoeg drome in elke vrou om n nasie omver te gooi. En genoeg antwoorde vir elke vraagstukke waarmee die hooggeplaastes in die regering so sukkel.Kortom. Hierdie boek is vir die vrou. Wit of swart, geel of pienk. Ons almal dink dieselfde, droom dieselfde en tree dieselfde op. Ons wonder oor dieselfde dinge, ons het lief op dieselfde manier, en ons word vir dieselfde dinge kwaad.Nou wonder ek hoekom daar nie n manual vir ons geskryf kan word nie?Geniet dit.
