

## Trains the Magazine of Railroading (Contents Image) February 1996 Private Cars, Canadas Rocky Mountaineer, Travel Tips, Kansas City Southern (Volume 56 Number 2)

Trains magazine covers the broad spectrum of railroading with authoritative content, dazzling photography, and a mix of content designed to appeal to everyone from the casual enthusiast to the seasoned professional railroader. Trains offers something for everyone who has a spark for railroading: Railroad news, insight, and commentary on today's freight railroads, passenger service, transit, locomotives, technology, preservation, fan opportunities, and more. You'll also see images and read stories from railroading's glorious past, and explore the bright future of railroading. Its all in the pages of Trains magazine.
