

Ask the Marriage Counselor - Revised Edition: Biblical Answers to Questions about Adultery, Spousal Abuse, Drug Abuse, Communication, Step-parenting, Sex and other Tough Marital Issues

Ask the Marriage Counselor is a dynamic book by popular newspaper columnist, Dr. David Stephens. This book answers questions from readers of his newspaper column and questions from couples who have attended his faith-based relationship seminars. But this is not another preachy book about Christian marriages. Instead, Dr. Stephens offers real life answers to questions that many other Christian books fail to address. And the easy to read format makes this book a joy to read. Topics discussed in this book include; surviving adultery, overcoming domestic violence, coping with a drug addicted spouse, overcoming in-law problems, coping with outside children, tips to improve your sex life and tips to re-kindle the romantic fires in your marriage. Every couple should own a copy of this book.
