

Perfect Imperfection (Beautiful Mess Book 3)

Ambria Donnelly is done: done with having her heart broken, done with being brushed aside, and most of all, done with Cole. She is determined to rid herself of all of her feelings for him, and remove him from her life completely. Only, that may be a little harder than she thought. Forced to finally face him again, she must also face the fact that she may not be as over him as she thought. Angry at her inability to banish Cole from her heart, Bri must learn how to deal with her unwanted emotions, because she knows that she can't go back. Cole Marra made the biggest mistake of his life when he pushed Bri away and broke her heart and her trust. Desperate to make amends, he is determined to win her back. He needs to make her see that he has changed, and prove to her how much he still loves her. But time is running out, and he may already be too late. All he knows is that he can't live without her any longer, and he won't let her go again. Is there a happy ending in their future, or are they destined to go their separate ways? Perfect Imperfection is a Young Adult novel recommended for ages 16 and up.
