

Persecuted Personality (The History Of A Murderer Book 1)

John the killer. Garcia prostitute. Detective passionate. The less common love triangle, and a surprise ending in which few expect, guess what will? navigate among these words and find out more about each of these characters, find out what led Garcia to become a prostitute, and that made John became so insatiable for blood, and further understand how the detectives mind works . Try to unravel the mystery, and watch the lines, they will give you the information that will help not only in reading, but also in life. Always remember, before they became demons, they were once angels. We all have a place on earth, but often this space can be filled by more than one person, know what each character has to hide, and discover the intention behind their cute faces. Evil can convert into good? And the opposite? the good is possible to become ill? Yes, it becomes where the place he lives consuming it, making it what he fears most, however to guard and protect those he loves, he participates in this game.
