

Poison Ivy

Poison Ivy is a story of what happens when lies cause physical pain and discomfort. The main character can't control her power to sense deceit and is unsure of what power she really has, she takes no chances in telling anyone else. Her mischievous friend, Joleen, keeps her life interesting to say the least, as she navigates the waters of coming of age in the delightful and splendid tale. Poison Ivy is part of a collection from the book *If I Had My Way*. *If I Had My Way* is a collection of ten short stories available as one book or each short story can be purchased individually.
