

One day—one instant—can change a person forever. On July 15th, I went to bed a normal teenager. I hung out with my friends. I crushed on boys. I disobeyed my parents. On July 16th, my world changed, and I've been trying to get back to normal ever since. My grandparents aren't here, boys aren't even on my radar, and my parents are the only living souls I talk to. I have a story to tell. It's a painful one. One I wish I didn't know, but I do. And the only way to stop my brain from thinking, thinking, thinking is to write it all down. So here you are. And here I am. Take my hand...I want to show you how I lost everything.
