

Princess Ben

Catherine Gilbert Murdock's talents for storytelling and creating strong female characters take a fresh turn in this spirited and sophisticated fairy tale. Benevolence is not your typical princess. With her parents lost to assassins, Princess Ben ends up under the thumb of the conniving Queen Sophia. Starved and miserable, locked in the castle's highest tower, Ben stumbles upon a mysterious enchanted room. So begins her secret education in the magical arts: mastering an obstinate flying broomstick, furtively emptying the castle pantries, setting her hair on fire . . . But Ben's private adventures are soon overwhelmed by a mortal threat to her kingdom. Can Ben save the country and herself from foul tyranny? [A] deliciously frothy fairy tale. Horn Book Magazine, starred review. The wild adventure, intricately imagined setting, memorable characters, and romance will charm readers, especially fans of Gail Carson Levine's *Fairest*. Booklist, starred review. This ebook includes a sample chapter of WISDOMS KISS.
