

Hope Wins: We Can Change

Turn lemons into lemonade, with stories that show how Hope Wins and ordinary people can change the world. Part One introduces powerful reasons for living with hope. Part Two presents some champions of hope who choose action, in large and small ways, when life throws them curve balls. Part Three shows that hope starts at home, with a hope-full outlook. Hope Wins is first in a series of hope-filled stories around such themes as aging, animals, the arts, youth, the environment, the search for meaning, education, different abilities, food, gender identity, business, technology, peace and politics. Read it as a sure-fire cure for the bad-news blues.
