

## Magic of the mind & Miracle of the body (HEALING MINDS Book 1)

MAGIC OF THE MIND AND MIRACLE OF THE BODY This book is about new paradigms, on life, health and healing. Alternative Medicine has been dissected for the reader, to enable them to infer for themselves. It is targeted for those who are willing to change quickly, shedding away, ancient Stone Age perceptions and adopting new relevant ones or none at all. The intricate systems of the phenomenal mind and miraculous body have been elaborated with diagrams, humor, stories, and experiences from personal and real life. This book will take you inside your body, outside into your mind, into your past life and give you a glimpse of the future life, all without even climbing into a spaceship. This book will help you understand some of the fundamental questions you have had: Who are you? What is suffering? Where is bliss? When to desire? How you can become a super being? The main aim is to help you live totally disease free and running around like a youth even at the ripe age of 90 years. Numerous divine secrets have been unraveled for you, to assimilate and implement. The writing style is brand new, original, and easy to follow. It has been designed as a counseling session, one on one, with the author. It presents a truly utopian, revolutionary concept of health care management, for the nations of the world.
