

Forever With You: Learning to go forward means leaving the past behind and moving on with the future

For sixteen years, Leo has been missing a vital part of his life until its revealed to him by his grandmother. Theyve always tried to protect him from the truth to keep him safe but what happens when it becomes vital to the choices he makes which will direct his path? Olivias tried everything she can to help her young grandson keep on the straight and narrow but when he is caught stealing what is she to do? Will learning the truth about what happened to his parents get him to change his ways or will he forever be doomed to destruction? The choices he makes from this point on not only affect him but those around him as well.....
