

My Catholic Morals! (My Catholic Life! Series Book 3)

We are all called to be saints! This is what we are made for and this is the only way to happiness. Life in Christ, a life lived according to the will of God, is the only way to live out our dignity and to experience the freedom we so long for. This book helps to shed light on the glorious calling we have received to become saints. A life of sin leads to death and despair, a life of grace and moral uprightness leads to happiness. This is a simple truth that we must all discover and live. Catholic morality is often seen in a negative way. We often think morality is about what I cant do. Its true that Christs teachings on the moral life limit us from engaging in actions contrary to His will and contrary to our dignity. But morality is so much more than just a list of restrictions. Morality is also about living in freedom! Its about living in the freedom that our Triune God has in store for us! About this Series: The My Catholic Life! series is a three volume series written as a complete summary of our glorious Catholic faith! The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way. We need to know who we are and what life is all about. And we need to know who God is and what He has spoke to us through the ages. Volume One, My Catholic Faith! is a summary of the Apostles and Nicene Creed. This volume looks at everything from the creation of the world to Gods eternal plan of salvation. Other topics include: Afterlife, saints, God, faith, and the Church. It is a summary of the teaching of the Catechism of the Catholic Church #1-1065. Volume Two, My Catholic Worship! is a summary of the life of grace found in prayer and the Sacraments. So often the Sacraments can be seen as dry and empty rituals. But they are, in reality, the greatest treasures we have! They are Gods true presence among us! It is a summary of the Catechism of the Catholic

Church #1066-1684 and #2558-2865. Volume Three, My Catholic Morals! is a summary of the morality itself, knowing how we choose right from wrong, as well as a summary of all the moral teachings of our faith. It is a summary of the Catechism of the Catholic Church #1691-2557.
