

The Best of Futfanatico 2011

Elliott Turner has written several excellent articles, columns, blog posts, and short stories about the world of soccer. This end of year anthology plucks his 10 favorites and places them in one convenient place. From a short story about the neurotic terror of watching Leo Messi to a penetrating look at the medias double standards for Black athletes, including Mario Balotelli, this collection reflects the soccer world of 2011 and the very best of Futfanatico.
