

Just Hit The Damn Ball!: How To Stop Thinking and Play Your Best Golf (Volume 1)

Book 1 in the trilogy series that will help you move beyond swing mechanics and discover your natural ability. You will learn how to practice less and play better, avoid common misconceptions and discover the real value of golf instruction. This book is based on records from over 11,000 lessons given over a 31 year career. You will learn mental techniques used by the worlds best players. The concepts are presented in an easy to read anecdotal style that you can apply immediately. Learn how to control your memories and discover the path to constant improvement.
