

## Redemption Of The Changed: Book One In The Redemption Series

Evie never really thought about how fragile life truly was, nor how quickly it could be taken from her. One fateful day changes all that as her entire world is destroyed. A man deemed The Hunter bent on destruction, decimates Evie's entire village leaving nothing but fragmented pieces for her to pick up. In the shards of what is left is Evie's best friend, who bestows on Evie words that will quite literally change her life. As Evie runs from her village into her new identity, part animal and part human, she becomes comfortable with her new self, and fights desperately to forget her painful past. Then one day, a stranger changes all that. A stranger who may hold the answer to everything she has ever questioned.
