

Adult coloring and journaling is fast emerging as a tool to destress and relax, distracting our minds from the day to day demands of life. Release and Soar is a coloring book created to support you in releasing stress and relaxing your mind. In this book there are: 26 designs, focussing on the theme of letting go of burdens to lighten your load printed on 8.25 x 8.25 white paper printed single sided an extra blotter page at the back of the book to detach and put under each page to prevent bleed through from markers you may preview the designs at <https://youtu.be/oVwD1FE9LmM> (copy and paste this link into your browser) Yes, let those old burdens go... the ones which are not yours! Meditate as you color around this theme, and feel the stress release. Relax and let it go. Get started on this process today because it can make a huge difference in your well being and health! Choose the buy button as a gift to yourself, and take care of yourself as no one else can.
