

Puritans vs. Witches

What is the Truth Behind the Salem Witch Trials? No group has been more ruthlessly vilified by modern historians than the godly Puritans of New England, and no subject more misrepresented than their infamous Salem Witch Trials. In this brilliant, scholarly presentation, Dr. Paul Jehle goes beyond the popular rhetoric, revealing both the wisdom and the failures associated with the Trials. Jehle makes the case that God used them to lay the foundation for the greatest revival in American history -- the Great Awakening. Approx. 70 min. on one audiocassette.
