

Spiritual Warfare: Christians, Demonization and Deliverance

As Christians, we play into the hand of Satan and his demonic host when we approach demonic warfare as a theoretical game or curiosity rather than a life-threatening conspiracy from the pit of hell. While we try to see how normal we can still appear to other Christians and our non-Christian colleagues and neighbors, demonic accusers relentlessly and ruthlessly plot our distraction and destruction. *Spiritual Warfare: Christians, Demonization and Deliverance* is a transferable, step-by-step training manual on spiritual warfare. It focuses on clarifying and explaining how to recognize and resolving attacks from the world, the flesh and the devil.
