

Flower Shadows Memory (Yaoi Manga)

Flower Shadows Memory (Yaoi Manga) Soft-spoken butler Laurent loves plants above all else. But Laurent himself is the object of another's affection; Arthur, the short-tempered master of the house. Despite being master and servant, Arthur and Laurent grow up together, and spend many an hour in the estate gardens, where Laurent lovingly tends the plants growing there. Love also blossoms in those gardens and it's there that Arthur confesses his feelings for Laurent. However, things only go downhill from there... will history give these two lovers another chance, or see them go their separate ways forever?
