

Cottontale (A Teen and Young Adult Fantasy Novella)

Gabe is an awkward high school kid whose plans for Spring Break change when he's forced to run for his life from a shapeshifting wolf. His only escape is an intergalactic trip to another world, where he learns his true origins. Tall, quiet, unassuming - he must leave all fears behind and lead this unknown world into a new generation of hope, but it won't be easy. He'll fight until his last breath to guarantee his destiny as the promised heir to the Easter Hare throne.
