

The Apocalypse, Book One: Introduction and the Epistles to the Seven Churches (Volume 1)

The Apocalypse, Book One is the introduction to the biblical book of Revelation. Here Bishop Hayes also gives a verse by verse commentary of the first three chapters of the Apostle John's Revelation of Jesus Christ, covering the letters addressed to the seven churches of Asia Minor. This book is the first in a series on the Apocalypse which takes a marked Historicist position. The Bible student will thrill at the Bishop's easy evangelist style of presenting deep and unique truths never before published. In this study a wealth of information will be shared with the disciples of Christ on each verse of this great manuscript.
