

## REBELATION - THE MARK II

Its been fifteen years since witnesses caught a glimpse of the demon child walking on water. The young, handsome and charismatic Chancellor Assersitus Cruentus has reemerged on the international platform as a savior. It doesnt take long though for his work to be disrupted by rebel assassins intent on bringing him down and the New World Regime. Assersitus realizing his shortcomings seeks to obtain the mystical Lance of Destiny and secure his position by harnessing its power and vanquishing all who oppose or threaten him and become a god among men.
