

Everyone at Mythos Academy knows me as Gwen Frost, the Gypsy girl who uses her psychometry magic to find lost objects ? and who just may be dating Logan Quinn, the hottest guy in school. But I'm also the girl the Reapers of Chaos want dead in the worst way. The Reapers are the baddest of the bad, the people who murdered my mom. So why do they have it in for me? It turns out my mom hid a powerful artifact called the Helheim Dagger before she died. Now, the Reapers will do anything to get it back. They think I know where the dagger is hidden, but this is one thing I can't use my magic to find. All I do know is that the Reapers are coming for me ? and I'm in for the fight of my life. Praise for Touch of Frost "A great start to a new young adult paranormal series." ? Night Owl Reviews "At the Mythos Academy, surviving high school means staying alive!" ? Kerrelyn Sparks "It has literally everything: mystery, romance, mythology, boarding schools. What could be better?" ? Simply Nerdy Book Reviews
