

The Rise of the Dragons

Join Jack, a brave young boy on an epic adventure through burnt-down cities and unyielding forests, as he struggles to save his town from dragons! Using his wits and imagination, Jack ventures into the woods everyone else is too scared to enter and hatches a plan to destroy the dragons but are they as dangerous as everyone thinks? Can Jack survive this perilous quest and save his town? Pitman writes with a unique style and sense of humour. The funny and engaging narrative should leave readers enthralled in Jack's quest to save his town, and leave them eager to see whether he succeeds. The mixture of dragons, danger and delightful characters make this story a must-read.
