

Decoding Your Past: A Guide to Happiness and Success Through Self-Understanding

Imagine if you could completely overhaul your life in a short period of time. Imagine if you were given the eight key strategies to unlock your true potential, allowing you to find happiness and success in all areas of your life. Imagine if those secrets were all contained in the same book. They are! In *Decoding Your Past*, author Rob Morris takes you on the journey of his life—his triumphs, defeats, and successes. He shares his amazing story to lay a foundation for the eight key strategies to happiness and success that will change your life forever. His story is heart-wrenching, but as he will tell you, it's how he became who he is today. He shows you how to turn adversity into a positive, driving force in your life to unlock potential you never realized you had. Rob demonstrates how your past influences the person you are today, and how you can overcome and take advantage of the life wisdom you've gained. He shares all of this through his compelling story and eight key strategies to happiness and success. This is a must-read for all.
