

Creating Habits for Lifelong Success: Success Workbook

A workbook designed to get you to think about your life and goals. Clearly defined questions bring about clear, well formed outcomes. Gain an understanding of why some people are successful and others are stuck in life no matter how hard and long they work. Take the guesswork out of goal achievement and create an action plan for your life. Finally become clear on how to begin creating the life that brings balance, peace and success to you. Do the work. Answer the questions. Apply the information. Get the desired results.
