

## King Conan: The Conqueror #3

The exiled barbarian kings frantic quest for the mystical Heart of Ahriman leads him to a Stygian city enthralled by a bloodthirsty serpent god! To regain his crown, Conan will have to contend with powerful priests, mad disciples, and slithering monsters before descending into a dark maze of horrors! \* Continuing the acclaimed Hour of the Dragon adaptation! \* Truman, Giorello, and Villarrubia continue to astonish! The action panels from Tomas Giorello and Jose Villarrubia in this issue should be considered among the best in comics today. A?ReadComicBooks.net
