

ANIMALS & MEN - ISSUES 1 - 5 - IN THE BEGINNING

At the beginning of the 21st Century monsters still roam the remote, and sometimes not so remote, corners of our planet. It is our job to search for them. The Centre for Fortean Zoology [CFZ] is the only professional, scientific and full-time organisation in the world dedicated to cryptozoology - the study of unknown animals. Since 1992 the CFZ has carried out an unparalleled programme of research and investigation all over the world. We have carried out expeditions to Sumatra (2003 and 2004), Mongolia (2005), Puerto Rico (1998 and 2004), Mexico (1998), Thailand (2000), Florida (1998), Nevada (1999 and 2003), Texas (2003 and 2004), and Illinois (2004). Since 1994 we have been publishing the worlds only dedicated cryptozoology magazine *Animals & Men*. This volume contains facsimile reprints of the first five issues and includes articles on Relict Pine Martens, Giant Sloths, Sumatran and Javan Rhinos, Golden Frogs, Frog Falls, Mystery bears in Oxford and The Atlas Mountains, Loch Ness reports, Green Lizards, Woodwoose, The Tatzelwurm, Giant Worm in Eastbourne, Lake Monsters of New Guinea, Giant Lizards in Papua, Mystery Cats, Black Dogs on Dartmoor, Scorpion Mystery, Manatees of St Helena, Migo: The Lake Monster of New Britain, The search for the Tasmanian Thylacine, Mystery cats, Loch Ness, More on the Migo Video, Boars and Pumas, The Hairy Hands of Dartmoor. PLUS: An introductory essay by Jonathan Downes, notes putting each issue into a historical perspective, and a history of the CFZ. This is a special collectors edition.
