

## Route 11

It was summer of 1994 and sixteen year old Marna Channing had enough of her life in the foster care system. So on her sixteenth birthday she stowed away on a bus and ended up in a small town in South Georgia. While there she ran across the Reeves family, a humble peach farming family struggling with last seasons unsuccessful harvest. With help from a sassy barrel racer and a charming farmers son Marna learns the true meaning of family, life and love. Is the Reeves family the family she always dreamed of having? Will her running away from the foster care system have consequences? Find out in this debut novel by Mackinsie Bulgier.
