

Calligraphy skill training by Qigong - running script (Chinese Edition)

The book falls into four parts. The first part introduces the running script style change of Qigong, his integral characteristics and the visual phenomenon; the second part focuses on the pen using and lines grasp of Qigong running script, the relationship among strokes, radicals, structures and ink; the third part tells the effective way to learn and inherit Qigongs calligraphy in terms of strokes, structure, single word and ink color; and the last part is the character training of Qigongs running script.
