

Rustic: Simple food and drink from morning to night

Rustic is a celebration of honest food and bringing people together, as the duo behind the Fernandez & Wells cafes share the recipes that define their philosophy - that the best things in life are simple. These recipes are made for sharing with friends and family with a cup of artisan coffee or a glass of fine wine in hand. Delicious food doesn't have to take hours to be a success - try the Moroccan cooked tomato salad Taktouka, or caramelized onion tortilla for a simple supper with friends that is sure to satisfy. The humble sandwich is transformed into a hearty meal using quality ingredients such as grilled chorizo, peppers and rocket on sourdough. The baking recipes are inspiring and moreish - the roast apple olive oil cake with butter and burnt sugar glaze will undoubtedly become a favourite! Rustic and wholesome, these recipes are the perfect antidote to our fast-paced, urban lives. With stunning photographs of London's Soho throughout, Rustic exudes the essence of an exciting food scene.
