

Sammys Walks: Dog walks in the Forest of Dean

The Forest of Dean is a favourite haunt of dog walkers. Away from traffic and with miles of tracks and paths to explore, the Forest offers endless pleasure, whether its a 30 minute gentle stroll or a two hour ramble. Its very size however also makes it rather daunting for newcomers. Starting from popular spots such as Wenchford, Mallards Pike and Speech House, this collection of 20 dog walks will benefit anyone who doesnt know the Forest well. New arrivals, holiday-makers, and those who want to expand their current repertoire of dog walks will find something to suit them amongst the variety offered here. And of course, you dont need a dog to take advantage of this book. Staying mainly on forestry tracks and waymarked paths, these walks are ideal for family rambles, with or without the dog.
