

Tampa may be known for sunshine and good times, but it has a scary side. When dusk settles down over the Hillsborough River, spirits begin to stir. Strange things happen in old hotels, theaters and public buildings, and an old cemetery becomes surprisingly lively. Some have seen an old crime boss walking the street. Some have encountered ancient spirits in a public parking garage. Still others have met a long-dead soul in a downtown shop. Join local author and historian Deborah Frethem as she navigates the twists and turns of the more macabre side of Tampa Bay.
