

## Secrets of the Wealthy Mind

Revealing the Formula to Wealth This book will change forever how you think about money and wealth. You will discover that wealth is an internal journey - a state of mind. You will begin to understand what wealth really is, and how it is revealed in your life through money and business. Written in response to the very popular books *Secrets of the Millionaire Mind* by T. Harv Eker and *The Secret* by Rhonda Byrne, this book grounds their thoughts in a broader framework of Universal Law. Your money blueprint and the Law of Attraction are but part of the internal journey that is necessary to master wealth. The Nine Steps to Mastery articulated in this book provide a profound shift in your approach to wealth. Together, let us journey into Abundance! *Secrets of the Wealthy Mind* is required reading for those intending to change the pattern of wealth in their lives. It reveals many of the deeper principles to mastering wealth and this game called life. Dr. Carolyne Fuqua, founder of Circles of Light and author of *Mastering the Game of Life* This is a very important book in our true understanding of wealth and raising our awareness around money and business. Bernard Lietaer, author of *The Future of Money*, and *On Human Wealth* Phillip Dignan's book is an enlightening synthesis of ideas around money and wealth. It is profound beyond words. It offers a genuine revolution in our understanding and thoughts that can change the way we operate in the world. Jean Houston, philosopher and author of 19 books including *A Passion for the Possible* Phillip Dignan is a member of Circles of Light, an organization founded with the intention of raising our collective consciousness. Wealth is simply a state of mind. *Secrets of the Wealthy Mind* contains the keys to unlocking the wealth within. As a venture capitalist, global financier, and student of economics, Phillip's experience is heralded by many

and matched only by his passion to reveal the light within us all. This book is the first in a series of pursuits addressing wealth, money and economics.
