

What Men Want: Secrets Revealed for Women Who Want to Please Their Man: Truth to Understanding Guys, Book 1

What Do Men Want? This is the ultimate guide for women to know how their boyfriends or husbands want to be treated. Yes, that's right, as you listen to this audiobook, you will be dancing around inside the minds of most men, learning what men want from women. You'll be driving your man wild when you start applying these ideas to your relationship. Yep, you'll have him hooked for good. These are the real facts about how your man desires to be treated. These are the truths about how you can keep your relationship alive and healthy. This is the best relationship advice you can get about what your man wants. FYI: This book is written by a man with many years of wisdom in his pocket about what we men want in relationships. When you are finished listening to this audiobook, you will know how to: Love your boyfriend or husband to the fullest potential. How not to argue with your man. What his physical desires are - yes, in the sex arena. How to be an almost perfect girlfriend. And much, much more... Do you wonder if he wants you to be more aggressive in the bedroom? Do you wonder if he wants you to pursue him more in general? Would you like to know if your boyfriend wants you to be more intimate in public? Do all men have feelings of jealousy when another guy enters the picture? When you finish with this easy-to-understand guide, you will have the answers to those questions and insight into forty-six more things your man desires within your relationship.
