

Shadow Of The Ghost Hunter: Seeking The Paranormal Truth

Shadow of the Ghost Hunter by Dan LaFave, a very experienced paranormal investigator/researcher takes the reader on a very interesting and mysterious journey deep inside the world of real ghosts and hauntings. This book covers many different paranormal topics which include: -- what paranormal investigation really is and involves -- how to do it right -- how to get the right results -- theories as to ghosts and the paranormal -- demonology -- experimentation techniques to get results -- how to present solid paranormal evidence -- demonology -- very interesting real haunted places and locations that Dan LaFave has investigated -- how to form a paranormal team or just do it by yourself.....the right way -- and many more things having to do with the paranormal/supernatural world If you do not believe in ghosts, read this book and then see for yourself. Ghosts and hauntings are a very true reality for many very ordinary, serious, and rational people out there, a person would be very surprised. The best ghost story is the one that is lived.
