

Warning! Do Not Enter After Sundown: The Mauldin Swamp Mystery

A True Supernatural Happening Few lived to tell about the eerie happenings in a Louisiana Swamp after dark. The few who were able to escape described the horrors they saw as they tried desperately to leave. And so a sign was posted: Warning! Do Not Enter After Sundown. When psychic detective, Lloyd Blackwell, heard of the frightful happenings, he was inspired to write about it so it wouldn't be forgotten. He surrounded the actual events with a youthful romance that could well have been true, for every happening does have a story behind it. You be the judge when you read The Mauldin Swamp Mystery.
