

Your life doesn't have to be a series of missed opportunities. In fact, every fulfilling thing you've ever desired is already within your grasp... so what stops you from showing up and claiming what's yours? Most often, you stop yourself. Strategic storytelling expert Andy Henriquez provides a compelling roadmap for living each day fueled by your life's true purpose. You will explore inspiring stories of unwavering, resourceful people, like Henriquez's Haitian immigrant mother, who snatched victory from the jaws of defeat while facing foreclosure. These stories will empower you to become your own champion. Show Up For Your Life offers you seven essential principles to completely transform your life from the average daily grind to an exceptional life of fulfillment. Immerse yourself in the pages of this book, and master the principles in order to show up for your own life.
