

## Waking Up Grey: A Leaders Guide

Waking Up Grey: A Leaders Guide is designed to help you navigate the journey through leading others through the terrain of Waking Up Grey. Being in a leaders position is a very different experience than being a group participant. The book has a layered effect, to be mined many times. Leadership is simply another layer unfolding. This book will help carry you through your role of facilitator chapter by chapter. Say yes to the rich invitation of stewarding this material and the hearts of those who are hungry for deep change and encouragement in their creative and spiritual lives.
