

Marvel Masterworks Amazing Spider-Man Vol. 122 DM Variant

Written by STAN LEE & ROY THOMAS
Penciled by GIL KANE & JOHN ROMITA
Cover by JOHN ROMITA
The Marvel Masterworks celebrate Spider-Man's centennial bow with ten classic Spidey adventures created by a quartet of the greatest talents in comics history! Stan Lee and Gil Kane start it off with Peter Parker's attempt to cure himself from his spider-powers gone horribly wrong. Yes, it's the six-armed Spider-Man! And he'll need the extra arms to handle Morbius the Living Vampire, in his first appearance, and the cold rage of Lizard. Rascally Roy Thomas joins the fray and then takes Spidey and his bikini-clad gal, Gwen Stacy, into the forgotten jungle known as the Savage Land to face towering beasts, Kraven the Hunter, and J. Jonah Jameson to boot! When Stan returns the Spider Slayer comes with him, and right behind him is the talented pencil of John Romita. In what Romita cites as the favorite artwork of his storied Spidey career, Stan and the Jazzy One leap into an adventure teaming up Spidey and Doctor Strange against a mystic threat from Vietnam while Flash Thompson's life hangs in the balance! Comics don't come better than this, so reserve that copy today, True Believer! Collecting THE AMAZING SPIDER-MAN #100-109 256 PGS./All Ages ...\$54.99
