Gordon Smith, a native of Glasgow, Scotland, is the proverbial seventh son of a seventh son. His outstanding abilities as a medium or messenger from the spirit world have led him to be dubbed The UK is most accurate medium Gordon has brought comfort and healing to thousands of people through the messages he is delivered from the other side. He is traveled to many parts of the world to appear before audiences, has read for many celebrities, and has been featured in television documentaries, but his feet have remained firmly on the ground. Refusing to ever charge for a private reading, Gordon still works in his barbershop in the west end of Glasgow. Gordon has proven his abilities to scientists exploring the nature of mediumship, and has astounded them with the consistency and accuracy of his messages. In this often humorous book, Gordon tells his own story of life as a messenger for the spirit world and shares his commonsense advice for avoiding charlatans and finding a true connection to Spirit.
